

# 2-Factor Authenticator App

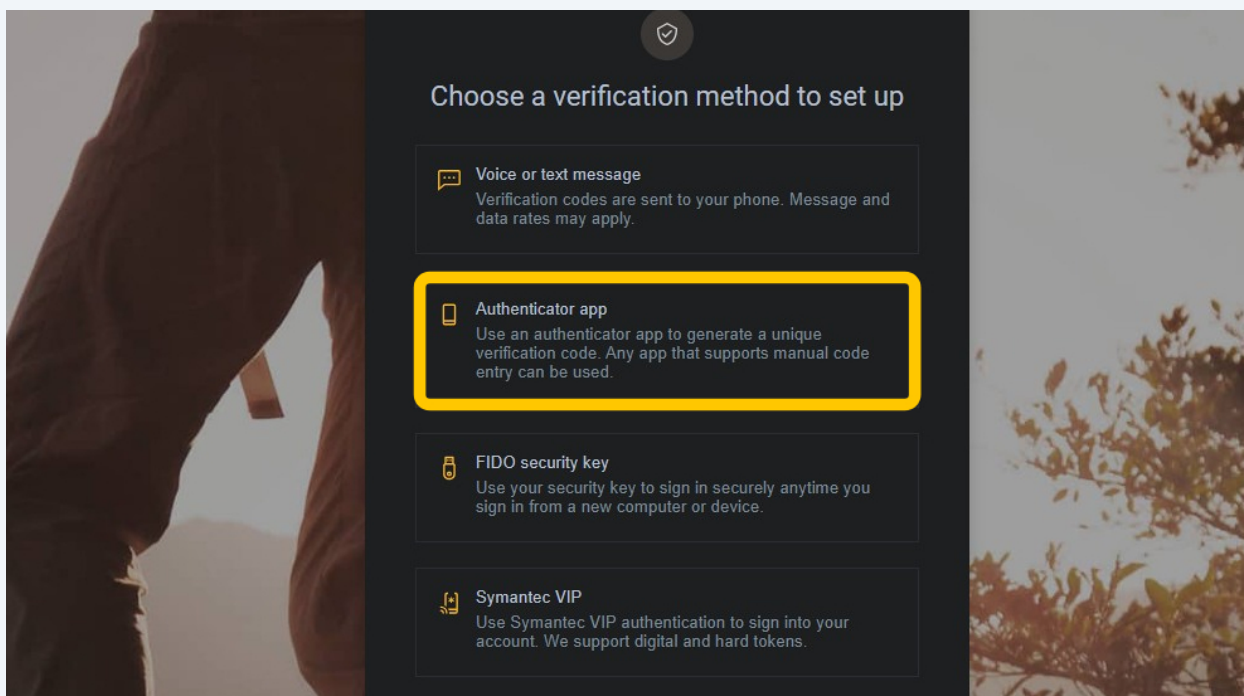

1 Sign in to Bravera Bank.

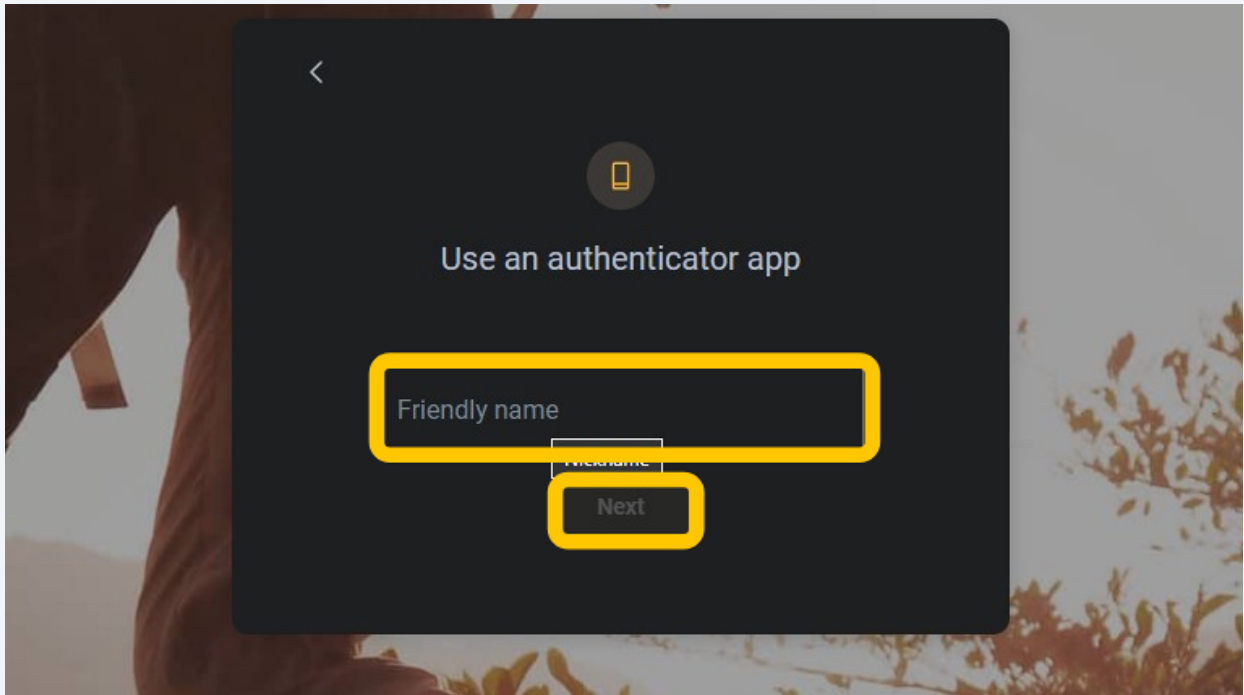

2 Click "Get started"

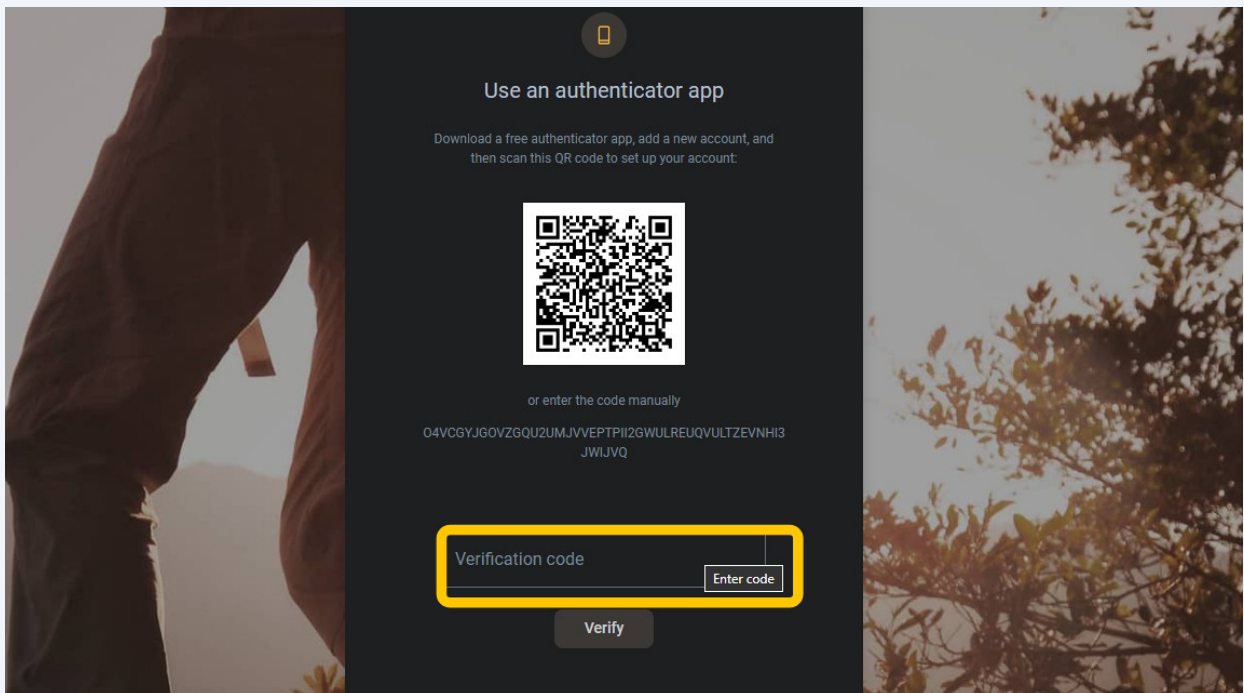

3 Click "Authenticator app"

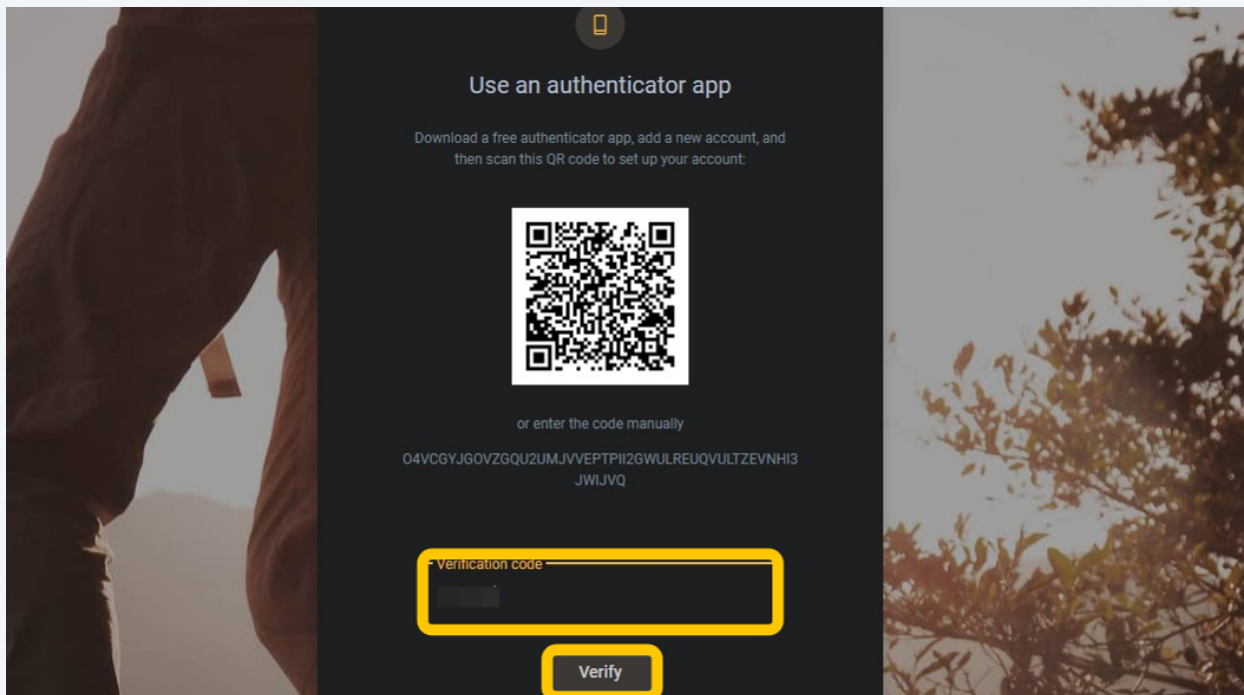

- 4 Click "Nickname" and put in a name for you to remember. Select "Next"

- 5 Download an Authenticator app from your Appstore. When in the new Authenticator app, select "Scan a QR code" and scan the code on the page.

- 6 Put in the 6-digit code from the app and select "Verify"

- 7 Now that it has been verified click "Done" and use the Authenticator App whenever you need to sign in.
